NOTICE TO MARINERS.
No. 77 (SPECIAL).
CHINA SEA.
FOUCHOW DISTRICT.

Haitan Strait—Range Beacons esta-
blished.

NOTICE is hereby given that two Range
Beacons have been established on
the north-eastern slope of Pass Island,
indicating a bearing of N. 20° W., to guide
vessels through the narrow of Wilton
Channel; each beacon having a diamond-
shaped top mark the northern one with a
white field and the central portion black,
and the southern one with a black field and
the central portion white.
Also that two Range Beacons have been
established on the south-eastern slope of
Slut Island with the summit of the island
a boulder painted white with a vertical
black stripe to the middle and the middle
of Cow's Horn Peak directly in line, bearing
N. 84° W., to guide vessels in the fair-
way between the reefs which extend from
Mitro Rock and the Chin Niang Rocks,
lying about 6 cables E.S.E. from Mitro
Rock, the highest of which dries 6 feet at
low water springs.
Each of these beacons has a triangular
top-mark painted white with a vertical
black stripe in the middle—the triangle on
the northern one being inverted.

DIRECTIONS.
According to soundings obtained during
the present month, a vessel bound to the
northward should keep the beacons on Pass
Island in line from the time when Quoin
Hill is on with Tynes Yung Shan Peak,
bearing about W. & S., till the southern
end of the middle one of the Rocky Islands
is on with the Fort bearing from it W. by
N. & N., and then haul out as to pass
about 3 cables to the middle and the middle
Rocks. The least depth found with the
beacons in line was 16 feet at Low Water
of the lowest Spring tides—about half way
between the north side of Middle Island on
with Town Point, and the last bearing
given above.
The Beacons on Slut Island, if brought
in line when Inner Rock bears East and
kept as till Mitro Rock bears West, will
lead well clear of all known dangers.
All bearings given are magnetic.

Coast Inspector.

Judges of the Rowing Races.—R. K. Leigh, Esq.; Hon. Com. W. O. H. Hastings, R.N.

Time-keeper.—E. F. Hough, Esq.

First Day.—Thursday, 9th December.

The bitterly cold weather that we have recently been having gave way to-day to a lovely Regatta sunshine. Seldom has the annual event come off under more propitious circumstances of sky and sea. The arrangements were perfect, and the flagships, the *Hohenzollern*, kindly lent for the occasion by Captain Bleeker, was thronged with spectators enjoying every event. We have been accustomed in recent years to associate the Regatta with the coldest of November blasts, and many fears were entertained, this year's should prove no exception to the rule, but when the yachts and sailing boats got off in good time a balmy and almost too gentle breeze gave promise of a lovely afternoon. A rich sunshiny haze added poetic beauty to the dipping white wings of the competing craft. On board the Flagship, the Committee's arrangements were complete in every detail, and experts in racing as well as the mere looker-on found all their wants fully met.

During the afternoon, excellent music was played by the band of the 11th Regiment.

It do not know who was responsible for it, but it is worth mentioning that an Edison phonograph on the forward deck provided excellent amusement for the children and others.

The opening outrigger race did not produce the exciting finish we have been accustomed to expect for the Chairman's Challenge Cup. Sanders, unfortunately, was out of the race from the word 'Go', having snapped his car on the first stroke.

The only two crews in the race were those stroked respectively by A. A. Alves and Fritz Lammer. Lammer's has been so invariably successful that he found many backers, but there was an equally strong body of supporters for Alves, who was 'spotted' by our sporting contributor, 'Spectator,' as the likely winner. As it turned out, Alves won, and this rather easily. His boat led from start to finish, but was pushed hard for about three-quarters of the way by Lammer. The latter's crew was badly balanced, however, and the stroke side, in spite of a current setting in the boats towards the shore, showed a tendency to pull the boat round, which gave the impression to those who followed the race that Lammer's coxswain was steering erratically. Fritz's final spurt was a lucky effort, but was met by an equally plucky finishing spurt in the opposing boat. Henderson beat Frank Lammer's crew before both gave up.

Louise Goss, open to the Chinese crews of the same hue or office, regiment, corps, department, or ship. Boats must carry a European coxswain. Boats to be passed by the Committee. Distance, one mile. Time allowance, 8 seconds per oar; 1st prize, \$10; 2nd prize, \$5. Post entry.

Two boats entered from the *Victor Emanuel*—Joan in the inside course, and Marjorie. The Marjorie crew held a slight lead from the start. Going past the Torpedo Depot the boats were pretty level. Marjorie afterwards retained the lead, and won by a length and a half.

CHAIRMAN'S CHALLENGE CUP. for four oars. Cup to be held by the winning crew for one year; but to remain the property of the Club. Distance, one mile and a half. Entrance, \$10. To be rowed in boats the property of the Victoria Recreation Club.
